

COURSE PROGRAMME

Singapore time (UTC+8)

Valid as of 06 June 2026

AICT-AsiaPCR.com

08:30 - 10:00

MAIN ARENA

LIVE Educational Case

Non-left main complex PCI: LIVE Educational Case from National University Heart Centre - Singapore

10:50 - 11:50

CASE CORNER 1

Nurses and Allied Professionals

All You Need to Know

Calcium management

Join us if you want:

- To know the latest trend in calcium management of complex PCI
- To understand the potential complication and bailout management for calcium management of complex PCI in cathlab
- To understand tips and tricks for post operative nursing care

10:05 - 10:45

MAIN ARENA

Ceremony

AICT-AsiaPCR 2026 Opening ceremony

10:50 - 11:50

CASE CORNER 2

Clinical Cases

Call for submissions - Selected Abstracts and Clinical Cases - Details coming soon

10:50 - 11:50

MAIN ARENA

Case-based Discussion

CTO

With the collaboration of India Live - National Course on Cardiovascular Interventions

Join us if you want:

- To learn how to avoid and manage complications in both antegrade and retrograde CTO
- To discuss different cases

10:50 - 11:50

CASE CORNER 3

Clinical Cases

Call for submissions - Selected Abstracts and Clinical Cases - Details coming soon

10:50 - 11:50

LEARNING ROOM

Case-based Discussion

Female at risk - Exploring female phenotypes in cardiovascular disease

With the collaboration of WIN-APSIC Initiative

Join us if you want:

- To recognise and treat female phenotypes of heart disease in a timely manner
- To risk stratify and treat heart disease in pregnancy
- To understand and assess challenges in vasomotor disease in females

10:50 - 12:20

HANDS ON LAB 1A

Simulation-based Learning

Hands-on session - Details coming soon

10:50 - 12:20

HANDS ON LAB 1B

Simulation-based Learning

Hands-on session - Details coming soon

12:05 - 13:35 **Sponsored session - Details coming soon**

MAIN ARENA

Sponsored session

12:05 - 13:35 **Sponsored session - Details coming soon**

LEARNING ROOM

Sponsored session

12:05 - 13:35 **Call for submissions - Selected Abstracts and Clinical Cases - Details coming soon**

CASE CORNER 1

Clinical Cases

12:05 - 13:35 **Call for submissions - Selected Abstracts and Clinical Cases - Details coming soon**

CASE CORNER 2

Clinical Cases

12:05 - 13:35 **Call for submissions - Selected Abstracts and Clinical Cases - Details coming soon**

CASE CORNER 3

Clinical Cases

13:45 - 15:15

MAIN ARENA

LIVE Educational Case

Low contrast PCI: LIVE Educational Case from National University Heart Centre - Singapore

13:45 - 15:15

HANDS ON LAB 1A

Simulation-based Learning

Hands-on session - Details coming soon

13:45 - 15:15

LEARNING ROOM

Learning

DCB application in long diffuse disease

Join us if you want:

- To learn step-by-step approach to DCB, from imaging to deployment
- To optimise lesion preparation strategies
- To evaluate post-DCB results and manage bailout scenarios confidently

13:45 - 15:15

HANDS ON LAB 1B

Simulation-based Learning

Hands-on session - Details coming soon

13:45 - 15:15

CASE CORNER 1

All You Need to Know

Calcified lesions - Between a rock and a hard place

With the collaboration of ANZET - Australia and New Zealand Endovascular Therapies Meeting

Join us if you want:

- To evaluate calcified lesions like an expert
- To understand the different devices
- To select the right device everytime

15:30 - 16:15

MAIN ARENA

Sponsored session

Sponsored session - Details coming soon

15:30 - 16:15

LEARNING ROOM

Sponsored session

Sponsored session - Details coming soon

13:45 - 15:15

CASE CORNER 2

Abstracts

Best Abstracts of AICT-AsiaPCR 2026

15:30 - 16:15

CASE CORNER 1

Abstracts

Call for submissions - Selected Abstracts and Clinical Cases - Details coming soon

13:45 - 15:15

09:00 - 10:30

MAIN ARENA

LIVE Educational Case

Calcified lesions: LIVE Educational Case from National Taiwan University Hospital - Taipei, Taiwan

09:00 - 10:30

CASE CORNER 3

Clinical Cases

Call for submissions - Selected Abstracts and Clinical Cases - Details coming soon

09:00 - 10:30

LEARNING ROOM

Learning

Patient journey

Join us if you want:

- To master the synthesis of AI-enabled CCTA data, allowing you to predict lesion complexity and strategically select hardware before the procedure even begins
- To learn how to optimise procedural outcomes by leveraging AI-driven IVUS and OCT software for precision-based stent sizing and the detection of subtle deployment complications invisible to the human eye
- To understand and critically evaluate the clinical utility of non-invasive, AI-calculated FFR tools against traditional wire-based haemodynamics to enhance your diagnostic accuracy and workflow efficiency

09:00 - 10:30

HANDS ON LAB 1A

Simulation-based Learning

Hands-on session - Details coming soon

09:00 - 10:30

HANDS ON LAB 1B

Simulation-based Learning

Hands-on session - Details coming soon

09:00 - 10:30

CASE CORNER 1

Imaging
All You Need to Know

Physiology and imaging

Join us if you want:

- To review recent RCTs and guidelines regarding OCT, IVUS, and coronary physiology
- To understand the differences between wire-based and angiography-based FFR
- To learn how to perform intravascular imaging-guided PCI optimisation to improve clinical outcomes

10:45 - 12:15

MAIN ARENA

LIVE Educational Case

TAVI - LIVE Educational Case from Keio University Hospital - Tokyo, Japan

Join us if you want:

- To learn the step-by-step procedure
- To learn commissural alignment
- To avoid complications

10:45 - 12:15

LEARNING ROOM

Learning

CTO

Join us if you want:

- To learn 3D viewing for antegrade approach
- To understand devices selection
- To learn techniques of antegrade access

09:00 - 10:30

CASE CORNER 2

Clinical Cases

Call for submissions - Selected Abstracts and Clinical Cases - Details coming soon

14:15 - 15:45

CASE CORNER 2

Clinical Cases

Call for submissions - Selected Abstracts and Clinical Cases - Details coming soon

14:15 - 15:45

MAIN ARENA

LIVE Educational Case

Complex left main bifurcation: LIVE Educational Case from National Taiwan University Hospital - Taipei, Taiwan

Join us if you want:

- To understand the left main anatomy and complexity
- To learn how to choose the right strategy
- To learn critical view of imaging in assessment and optimisation

14:15 - 15:45

CASE CORNER 3

Clinical Cases

Call for submissions - Selected Abstracts and Clinical Cases - Details coming soon

14:15 - 15:45

LEARNING ROOM

Learning

Dealing with STEMI patients with heavy thrombus burden

Join us if you want:

- To learn everything about thrombus management in STEMI
- To defer stenting for better outcomes
- To understand the role of imaging in STEMI patients with high thrombus

14:15 - 15:45

HANDS ON LAB 1A

Simulation-based Learning

Hands-on session - Details coming soon

14:15 - 15:45

HANDS ON LAB 1B

Simulation-based Learning

Hands-on session - Details coming soon

14:15 - 15:00

CASE CORNER 1

Nurses and Allied Professionals

All You Need to Know

Nursing role in TAVI

Join us if you want:

- To know more about the nursing coordinator in TAVI
- To know the nursing role intra-operatively
- To know more about the immediate post operative nursing care

15:05 - 15:50

CASE CORNER 1

Clinical Cases

Call for submissions - Selected Abstracts and Clinical Cases - Details coming soon

15:50 - 16:20

MAIN ARENA

Ceremony

AICT-AsiaPCR 2026 Awards ceremony

16:20 - 16:35 | **AICT-AsiaPCR 2026 Closing ceremony**

MAIN ARENA

Ceremony
